## Why Choose Interstate

- Accuracy-First Fabrication**  
Every appliance built for the perfect fit. If it's not right, I remake it free — no questions asked.
- One Technician, Start to Finish**  
No hand-offs. No assembly line. The same expert hands from impression to delivery, every case.
- 48-Hour Emergency Rush**  
Real rush service for real emergencies. Call me directly and your case gets prioritized immediately.
- Direct Line — No Call Centers**  
Call or text 727-859-7171 and talk to the person actually making your appliance. Questions answered in minutes.
- Digital + Traditional**  
I accept iTero scans (ID: 1105084), STL files, PVS impressions, and stone models. Whatever works for your office.
- Built for Small Practices**  
You're not account #4,572. I work exclusively with small to mid-sized practices who value personal attention.

## How We Compare

	BIG COMMERCIAL LABS	INTERSTATE ORTHODONTIC LAB
Technician	Rotating / assembly line	✓ Same tech, every case
Communication	Call center / tickets	✓ Direct line to Doug
Rush turnaround	5-7 day "rush"	✓ 48 hours, truly prioritized
Impressions accepted	Often digital only	✓ Stone, PVS, and digital
Experience	Varies by technician	✓ 35+ years, same expert

*"The fit is perfect every single time. I used to get remakes monthly from my old lab. With Doug — zero in over a year."*

— Orthodontic Practice, FL

*"Called on a Friday afternoon with an emergency. Doug picked up and the replacement was at my door Monday morning."*

— Pediatric Dental Office, FL

*"The free first case sold me. That was two years ago. Haven't looked back since. Best lab I've worked with."*

— Orthodontic Clinic, GA
